

STANDARD SELECTION TIME

140 CALENDAR DAY YEAR

With your busy schedule we understand that it is important to have a home that stays on schedule too. From your New Home Specialist and Design Studio Consultant to your Personal Builder and Customer Care Representative, you'll have someone to answer your questions and keep you posted on our progress. Our home builds take approximately 140 days to complete and include a guaranteed closing date, so you can rest easy and enjoy the process every step of the way.
